<u>COMMENTS</u>

Beanpot Broadcasting Corp. ("Beanpot"), the licensee of Station WXRV(FM), Haverhill, Massachusetts, by its counsel, hereby submits these Comments in support of the proposal, set forth in the Notice of Proposed Rule Making in *Andover and Haverhill, Massachusetts*, DA 05-708, released March 18, 2005 ("NPRM"), to amend the Commission's Table of FM Allotments in Section 73.202(b) of the Commission's Rules to change the community of license for WXRV, from Haverhill to Andover, Massachusetts. In support thereof, Beanpot states as follows.

Beanpot has filed the Petition for Rule Making that initiated this proceeding and submits that the grant of the proposed change in the Commission's Rules, applicable to the allotment of FM radio authorizations, would best serve the public interest by providing the community of Andover, Massachusetts, with its first full-time aural transmission service.

Should the Commission grant the requested allotment change, Beanpot intends to file an application to effectuate the change.
